

Position Vacant: Occupational Therapist

We are looking for an occupational therapist interested in working with infants and children alongside our paediatric dietitian within our infant feeding clinic. This person will be passionate about supporting parents and families with their problem feeders and keen to work collaboratively as part of a multi-disciplinary team.

About the position

- 📍 Woden Office – Level 3, 50 Launceston Street Phillip
- 💰 Contract – generous % split
- 🕒 Part-time, flexible hours – work when it suits you
- 📅 Full admin support – focus on your clients
- 👥 Multidisciplinary Team

About The Healthy Eating Clinic

VISION

We exist to set people free from food stress and teach them how to eat well for the rest of their life.

MISSION

We're building a sustainable and inclusive nutrition clinic with quality services delivered by passionate health professionals. We work together to build long term healthy eating habits in our clients. In doing so we're also creating a positive workplace where individuals thrive and reach their full potential.

VALUES

PUSH BOUNDARIES

Be driven to innovate and create new ways to do things better.

EXCEED EXPECTATIONS

Go above and beyond, always do things with excellence.

CARE AND SUPPORT

Create a safe, non-judgmental environment where people thrive.

COMMUNICATE

Seek first to understand then to be understood.

WORLDS BEST PRACTICE

Value personal and professional growth and evidenced based practice.

LOVE FOOD

Actively participate in the whole process from paddock to plate.

ENJOY THE JOURNEY

Keep an optimistic attitude and never underestimate the value of a correctly timed food pun.

How we work

We believe that ongoing, individualised, client-centred support is the gold standard in dietetics practice. Over a series of appointments, we focus on building healthy behaviours into our client's lifestyle, rather than offering an unrealistic quick fix. This way, we set clients up to become long-term healthy eaters and achieve their goals.

The Healthy Eating Clinic provides nutrition consultation and counselling within a weight neutral framework to ALL clients, regardless of their goals. A weight neutral approach means that we focus on habits, behaviours and routines that promote long term health for people of all body sizes, which do not have the goal of weight loss.

Why we want an OT

Several of our Accredited Practising Dietitians specialise in paediatrics and NDIS support. Many paediatric and NDIS clients have physical and psychological challenges which impact food preparation, food choice and dietary intake.

Our team acknowledge our scope of practice and the limitations of dietetics to address all these barriers and challenges. We are excited by the prospect of offering clients a multidisciplinary approach for infants and kids to build a positive relationship with food and meet their nutrient requirements.

WHO WE ARE LOOKING FOR

We are seeking expressions of interest from occupational therapists interested in working on a contract-basis. As our business grows there will be the opportunity for part-time positions for the right person.

We are looking for individuals who are not only appropriately qualified but also passionate about their clinical work in the following areas:

- Fussy kids and toddlers
- Infant feeding issues
- SOS approach
- Autism spectrum disorder
- Emotional regulation
- Sensory processing
- NDIS

We acknowledge that one person may not practice in all the areas above so keen to find multiple individuals with complimentary skill sets to cover the areas required.

REQUIREMENTS

Successful applicants will meet the following criteria:

- Minimum 2 years experience in private practice
- Minimum, registration as a occupational therapist with AHPRA.
- Masters or PhD level qualifications desirable but not essential
- ABN registration
- Professional indemnity insurance
- Medicare registration
- Working with Vulnerable People check (WWVP)

Remuneration will be based on a % split of the consultation fee and based on experience and client load.

How to Apply

Please email a cover letter and CV to Clinic Manager, Clare Wolski (clare.wolski@healthyeatingclinic.com.au)
