Salary: \$80,000 – \$90,000 + superannuation FTE, based on experience.

Contact Officer: Clare Wolski (02) 6174 4663 / clare.wolski@healthyeatingclinic.com.au

ABOUT US:

For more than 15 years, The Healthy Eating Clinic has been providing Canberra with premium nutrition and dietetics support. We offer a range of evidence-based services to help our clients eat well and maximise their health. We're passionate about setting people free from food stress and teaching them how to eat well for the rest of their lives.

ABOUT THE ROLE:

The Healthy Eating Clinic is expanding its services to regional communities throughout Australia and we are looking for a passionate and driven Lockyer Valley local dietitian to join our team and build a satellite clinic in Gatton.

Dietitians at The Healthy Eating Clinic strive to exceed expectations and consistently deliver high-quality, patient-centred care to clients with diverse nutrition goals and needs. The successful applicant will join a supportive team of experienced Dietitians and be responsible for delivering one-on-one consultations with clients. Other responsibilities include writing articles and content for online platforms, as well as building your profile within the local community.

This is a part-time position; however, there is a significant opportunity for growth, dependent on local clinic KPIs and the wider business needs. We keen to find someone who wants to lock in with us for the next 5 years (or more) and build something meaningful within regional communities.

ABOUT YOU:

We're looking for an experienced and skilled dietitian who is passionate about helping people to achieve their nutrition goals.

- You must have strong interpersonal, oral and written communication skills, and be confident in dealing with clients one-on-one and helping them with a range of nutrition issues.
- You must value evidence-based nutrition advice above all things and be able to help clients as practically as you can with meal ideas, recipes, cooking tips, etc , and not just offer nutrition information.
- You must have thorough knowledge of food and a genuine passion for it.
- You must be driven to grow your client base and role, and be excited by the opportunity to network with local organisations.
- You must be a team player and be willing to contribute to all facets of the business as required.

WHY YOU'LL THRIVE AT THE HEALTHY EATING CLINIC

Clinical support

Our senior dietetics team have more than 30 years of collective experience in private practice and can support you in managing your client load and building long-term therapeutic relationships with your clients. We also provide a Continuing Professional Development (CPD) allowance to support your growth in the field.

Administrative support

The Healthy Eating Clinic provides full administrative support, including appointment management, billing and claiming, and marketing & promotions.

The tools to do your job well

We provide you with a personal work laptop, client management software, a comprehensive bank of nutrition education tools and resources, and well-equipped, professional consultation rooms.

Opportunities for job diversification

The Healthy Eating Clinic is one of four brands within The Healthy Eating Group Pty Ltd. Our other brands include corporate nutrition, online training and a mobile app, Ayla Health. Your role within our company can grow to include content development, social media marketing, resource development, leadership roles, team training and development, corporate services, recipe development and more.

Work-life balance and flexibility

The Healthy Eating Clinic is committed to providing as much flexibility as possible within an appointment-based business, with opportunities to work from home in non-client time, generous time for client administration, clear KPIs and reasonable workload policies.

ESSENTIAL SELECTION CRITERIA:

- Current Accredited Practising Dietitian status with Dietitians Australia.
- Experience in one-on-one nutrition counselling – minimum 3 years or more experience.
- Demonstrate sound clinical nutrition and dietetics knowledge, specifically in chronic disease management, building self-efficacy with nutrition and weight-neutral practice.
- Demonstrate well-developed interpersonal, written, and verbal communication skills with the ability to communicate with internal and external stakeholders, including the multi-disciplinary team.
- Demonstrate a high level of organisational and time management skills with the ability to apply these to work priorities and tasks.
- Demonstrate ability to work diligently and independently; utilising own initiative to solve problems and complete tasks as they arise, meet deadlines, work within the scope of practice and seek assistance when required.
- Be entitled to live and work in Australia.

DESIRABLE SELECTION CRITERIA:

- An interest area evidenced by training, professional development and/or experience in paediatrics, gut health, sports nutrition, eating disorders or women's health.
- Experience working in primary healthcare or private practice.
- Demonstrated ability to build networks and ongoing professional relationships

PRIOR TO COMMENCEMENT, THE SUCCESSFUL APPLICANT MUST:

- Register for a Blue Card or equivalent Working With Vulnerable People Check
